SATURDAY – min 100 Guests (Max 300pax)

Winter Weddings have started to increase in popularity over the last couple of years. This time of year offers a romantic cosy setting for your guests; an indoor fire place creates warmth and atmosphere, while hot-soup starters and carvery-style comfort food compliments the ambience.

This romantic time of year also means the Bridegroom's & Groom's are comfortable in their formal-wear; even after a long dance-floor session.

There are more available dates in Winter, so choose the weekend that suits you best without waiting till next year.

The Winter Special includes discounts on the Venue Hire, waived corkage fees on wines and champagne. Additionally, a reduction in the required minimum guests means a more affordable Wedding of your dreams.

Our in-house DJ, Décor Team and Service Providers offer winter specials as well.
